The track meet was put on by the Nodaway County Public School Athletic association. Bert Cooper, county superintendent and president of the association, was in charge of the meet. Prof. D. D. Hooper of Bolckow was referee. Other officials were: Starter, L. M. Mendenhall of Barnard; clerk of course, Prof. J. W. Rain Hurt Ravenwood Meet.

On account of the rain and muddy roads, the crowds at the Ravenwood meet were not as large as would have been desired. The two towns, Parnell and Ravenwood turned out in good shape, however, and created lively interest.

Parnell secured the most points with 57 to their credit. Ravenwood got 29, Bunker 5, and Conception 4. Many of the rural schools were not represented so the official schedule of events was not followed, and all entered in the same class as to town and county.

The judges of the finish were C. C. Tebow, John Steiger and Grant Gates, Director Walter Hanson did not go over on account of the rain, so Prof. Claude Ross and Prof. W. A. Power, superintendents at Ravenwood and Parnell, were in charge of events. The winners in the various events were:

100-yard dash—Harry Nye, Parnell; Harold Tebow and Eldon Steiger tied for second.

50-yard dash for girls—Bess Welch, Parnell; Inez Surplus, Parnell, and Mabel Tannehill, Conception.

JOHN HERRON DIES

G. A. R. VETERAN PASSES AWAY AT 76 YEARS.

WAS IN IOWA COMPANY

Funeral Services Wednesday at First Methodist Church—Wife and Two Children Survive.

John Herron, 76 years old, died at his home, 415 West Third street, yesterday morning at 6 o'clock. He had been ill with heart trouble several years and was taken seriously ill about two weeks ago. The direct cause of his death was uraemic poisoning.

Mr. Herron was born in Decatur county, Indiana, and from there moved to Iowa, where he grew to manhood. He enlisted in the army at Centerville, Ia., August 9, 1861, as a private in Company F, regiment of Iowa Volunteer cavalry, under Captain Benjamin F. Crail, and Colonel Cyrus Bussy, to serve three years or during the war.

The regiment was assigned to the army of the west, and participated in the following battles: Pea Ridge, Ark., March 6-8, 1862; skirmish with the rebel General Porter, July 22; Lone Jack, Mo., August 11-16; Fayetteville or Prairie Grove, Ark., December 7; Little Rock, Ark., Sept. 10, 1863; Guntown, Expox and Tupelo, Miss., July 13-25, 1864; in pursuit of Price in Missouri, including Independence, Mo., October 22-26; Big Blue, Mo., October 23-31; Osage River, Oct. 25, 1864.

He was wounded by gunshot in the right arm in a battle at Florence, Mo., July 10, 1863, and in the battle at Tupelo, Miss., July 13, 1864, he also was wounded with gunshot in the windpipe, and his right ankle was shattered by a rebel ball.

He was discharged December 31, 1863, at Keokuk, Ia., to re-enlist as a veteran in the same company and regiment. He was commissioned sergeant under Captain Crail and Colonel John W. Noble, January 1, 1864, and received his final discharge at Atlanta, Ga., August 9, 1865.

Mr. Herron was married to Miss Jeanette Bickford, in Iowa, March 5, 1866. To them four children were born, two of whom are living. On September 25, 1875, he was united in marriage to Mrs. Mary E. Barnhart, at Centerville, Ia. To this union one child, Grace, was born, who died a number of years ago.

Came Here 30 Years Ago.

Mr. and Mrs. Herron moved here from Iowa thirty-eight years ago. They first moved to a farm, north of Maryville, and three years later moved to Maryville, where Mr. Herron went in the grocery store with Craig & Hawkins, where he worked a number of years. Mr. Herron and Rol Branger then went into the grocery business and continued until eight years ago, when he retired from business.

He is survived by his wife, one son and one daughter. They are: Frank of Los Angeles, Cal., who will arrive tomorrow, and Mrs. Lillie Dean of Ellendale, N. D., who arrived Friday night. Other relatives here are: Frank Fritz and son Edward of Blakesburg, Ia.; Mrs. Clark White, Palestine, Texas; Ralph Donlin, St. Joseph, Mrs. Nettie Fuqua, St. Joseph and S. R. Porter and sons Ralph and Frank, and Mrs. Leota Henderson of Clearfield, Ia.

The funeral services will be held Wednesday afternoon at 4 o'clock at the First Methodist church. The W. R. C. and the G. A. R. will attend in a body. The Rev. Gilbert S. Cox will conduct the services at the church, and the G. A. R. will have charge of the ceremonies at the cemetery. Burial will be in Miriam cemetery.

H. S. GAME TUESDAY

MOUND CITY COMES TOMORROW FOR OPENING GAME.

ORATORS CHOSEN SOON

Preliminary of Boys and Girls Thursday Night—Track Meet Thursday or Friday.

Maryville will open its base ball season tomorrow afternoon at the new Federal league diamond at the fair grounds in a game with Mound City. The outlook for the locals is anything but bright, as they have had little practice. A captain will be elected at the first good practice, which will be this afternoon.

The line-up is not definitely settled. Coach Becker will select it from the following at this afternoon's work-out. Egley, catcher, and Woodard, third, are the only players who seem to have their places sure. Hagins or Van Cleve will pitch, probably Hagins. The other will play shortstop.

Crawford or Nixon will hold down first, with the odds on Crawford today. The unlucky man in the key-stone sack competition will probably contest for an outfield position with Berney and Bob Harris, Hise and Holmes.

Grant City comes for a game next Friday here, and a return game will be played at Mound City Thursday of next week. Cleve J. Funk, owner of the Federals, will umpire the game tomorrow. The game will start at 3:30 o'clock.

Play Set for April 27.

"All of a Sudden, Peggy," the play to be given by the High School Athletic association, will be staged at the Empire theater Thursday night of next week, April 27. It is being coached by Miss Lois Halley. Practices are being held each night now.

Saturday night all of the cast were locked in Miss Rooker's room in the high school by Miss Halley, and the two leads in the play, Clarence Cook and Miss Mary Carpenter. They were told that they should stay in and work on their parts. When the door was unlocked the members found that a fine spread had been prepared by the conspirators.

Those who waited behind the closed door were: Gladys Alexander, Pay Herndon, Kathleen Wells, Kenneth and Will VanCleve, Meryl Sealeman, Claude Glass and Goff Crawford. It is also reported that some of them make eloquent after-dinner speakers.

Debate Finals Today.

The final debate to choose three from Lloyd Hartley, Berney Harris, Myron Baker and James Halasey was held late this afternoon before George P. McGrew, principal and coach of the debating squad. The three chosen will debate the preparedness question on the affirmative side at Mound City, April 27, when the base ball team goes to that city for their return game.

The inter-class track meet, originally set for last Friday afternoon, will be held either Wednesday or Thursday afternoon of this week.

Preliminary Contests Thursday.

The preliminary contests for both boys and girls to choose the representative of the Maryville high school in the northwest Missouri competition, May 5, will be held in the assembly of the high school building Thursday night of this week, beginning at 7:45.

An elimination contest was held by the girls, from which the following five were chosen for the finals in the preliminary:

The five and their readings are: Etha Henderson, "A Christmas Present for a Lady;" Erma Green, "Her First Appearance;" Virginia Lawson, "The Lane That Has no Turning;" Jennie O'Neal and Helen Rose Crawford, "The Death Disk."

No elimination contest for the boys will be held, since only six are to seek the honor of representing the school in oratory. The boys and their selections are: Myron Baker and Lloyd Hartley, "The New South;" Clifford Hull, "A Plea for Cuba;" Berney Harris, "March of the Flag;" Lee Meek, "Our Martyred President;" Claude Glass, "Regulus to the Carthaginians."

Representatives of the two civics classes will debate the question of further restricting immigration in the assembly, probably Wednesday. The two sides are: Affirmative, Ernest Daniels, Ernest Alexander and Lillian Carpenter; negative, Meryl Sealeman, James Halasey and Kenneth Van Cleve.

WANTS DORMITORY SENDS NOTE TODAY

NORMAL PROPOSITION REVIVED AT MEETING TODAY.

TO BE BUILT BY CITIZENS

Cost Would Be From \$18,000 to \$25,000 and Rental Would Make Stock Company Profitable.

The proposition of building a dormitory to be managed by the State Normal School was endorsed by the board of directors of the Commercial Club at luncheon today and efforts will be made within the next few days to get the matter in a tangible shape so as to present to the citizens of Maryville in an endeavor to raise the necessary amount. The finance committee of the Commercial Club will meet with President Richardson tomorrow evening to go over the details.

The plan as it is now is to build a three story building on the north one hundred feet of the Ramsay property corner of Dunn and Normal avenue, which was recently purchased by Mr. Richardson and a few other men for a dormitory building as this is the most suitable location. It was purchased not as an investment by these men and they will sell it at what they paid for the property or what it is reasonably worth.

The building will cost \$18,000 to \$25,000 according to present plans. While a few figures have been secured from an architect yet the definite plans for the building have not been decided on. It will room at least fifty to sixty students and can probably accommodate over 100 or more students at the meal time.

The board of regents of the Normal with President Richardson are wanting the citizens to subscribe the necessary amount for such a building. They agreed to pay a rental of \$1,800 a year for ten years and the prospect of buying such a building by the state would be favorable.

The needs of a dormitory building were expressed in talks made by the members of the board of regents who were the guests of the board of directors of the Commercial club at luncheon. Every member along with President Richardson urged that it was time for the citizens of Maryville to form a stock company to build such a building as many of the other school towns in the state had done.

The members of the board in attendance were W. A. Blagg of this city; State Superintendent H. A. Gass of Jefferson City; C. L. Mosely of Stannett; L. M. Phipps of Grant City; W. H. Weightman of Mound City; and George N. Gromer of Pattonsburg. The board was in session this morning and considered routine matters. They inspected the new greenhouse of the Normal ground and accepted the building which cost about \$2,500.

The members of the board and also President Richardson are expecting over 600 students here for the summer term of the school. They are wanting

BRINGS ISSUE TO HEAD

Officials Say Affair Could Scarcely Be More Grave—Allies Forcing Greek Situation.

Special to The Democrat-Forum. Washington, April 17.—President Wilson has before him the complete text of the American note to Germany which is expected will bring submarine issue and crisis to a head. Unless the plans are changed the note will go forward within the next few hours.

States Issue Explicitly.

Washington, April 17.—The American note to Germany states the issue explicitly and in such terms as to make plain that this government no longer will be satisfied with pleas in abatement or promises of good faith.

If Germany insists on its last note to the United States as an exact statement of facts, and it intends continuing its present campaign, a diplomatic break cannot be avoided. This situation was outlined by White House officials, and the situation could hardly be more grave, they said.

Officials made no effort to disguise their fears today. They insist German advances indicate that President Wilson is expected to leave the issue open to discussion contrary to the case, they say. Chairmen Stone and Flood of senate and house committees expect to see President Wilson this afternoon to discuss the note.

The state department received a cable from Consul Hurst of Barcelona saying two Americans were on board the Russian ship Imperator and one was injured when fired on by an Austrian submarine.

Ambassador Bernstorff is still without word on the Sussex case.

New Crisis in Greece.

OFFICIALS DOUBT VILLA'S DEATH

"UTTERLY DISCREDITED" IS OPINION IN WASHINGTON.

CARRANZA CONSULS AFFIRM TRUTH TOLD

Asserted That Bandit Leader Died of Wounds and Body is on Way to Chihuahua City.

Special to The Democrat-Forum.

Washington, April 17.—Officials here utterly discredit the reports from Carranza sources that Villa is dead and his body being taken to Chihuahua to be exhibited. Not a single confirmatory report has reached the state department, and at the Mexican embassy it is said details are being awaited. Major Hozer report Villa is positively known to be about fifty miles from Parral. This is believed to be correct.

Reports of Death Strong.

El Paso, April 17.—General Gavira, Carranza consul at Juarez, across the Rio Grande from here, received a message from Chihuahua City yesterday afternoon that Colonel Carlos, Carranza's nephew and first chief of the constitutional army, was bringing Villa's body from Cusuhirachic to that city.

The message added that it would be sent from there to San Antonio by the nearest railroad point from Chihuahua city. The city of Juarez broke out in the wildest demonstrations and celebrating. Bands were playing, crowds were cheering and parading the streets all Sunday afternoon and late into the night.

No Confirmation of Death.

El Paso, April 17.—Consul Garza, Carranza representative here, affirmed today the report that a body believed to be Villa being taken to Chihuahua, but admitted there was no official confirmation.

At the recent school election held by the Elmo and Mount Tabor districts, the proposition to annex a part of the Elmo school district by Mount Tabor was voted on. Mt. Tabor voted twelve for to nothing against while Elmo voted 74 against to three for. The Mount Tabor district has appealed to County Superintendent Bert Cooper asking that the change be made. The commissioners appointed by Prof. Cooper to investigate are Albert S. Watson, A. A. Wiley, J. H. Thorp and Fred J. Yeomans.

The board of arbitration decided this afternoon that the two districts should be left just as they are:

MARTIN ANNOUNCES

ST. JOSEPH ATTORNEY SEEKS NOMINATION FOR CONGRESS.

STATEMENT MADE TODAY

Believes Democratic Principles Make Rotation in Office Necessary—Good Race Before.

R. Raleigh Martin of St. Joseph, announces today his candidacy for the Democratic nomination for representative in congress from this district. This announcement has been expected for some time.

Mr. Martin is well known over Nodaway county. He was prosecuting attorney of this county for two terms, leaving Maryville a few years ago to live in St. Joseph. He is a son of Dr. and Mrs. F. M. Martin of this city.

Mr. Martin had the following statement to make:

"I have today filed with the proper officials in Jefferson City and the city of Washington my formal declaration as candidate for the democratic nomination for congress from the Fourth Congressional District of Missouri, subject to the August, 1916 primaries, as required by law.

"In asking this nomination of my party I have only to say that I stand upon my record as a democrat, and to my fealty to party standards ever since I have known anything of public life."

"My platform has been written by the sages of the democracy of the United States of America since the presiding and prophetic genius of Jefferson the law-giver wrote in words of wisdom, grandeur and immortality the first democratic platform ever written. Inscribed there are the cardinal principles of equality before the law, and liberty and justice for the poor and the rich upon a common level. It has stood since the Rock of Ages in the storm-tossed seas of political turmoil, turbulence and strife, and upon its eternal foundation have been built the watch-towers of our hope and faith. For Reasonable Preparedness."

"I stand for a reasonable preparedness for war, ample and strong enough to fortify against foreign invasion."

"Far exceeding in importance any other need is the necessity of a powerful merchant marine to swim the waters of every sea and carry the commerce of America into every port of the world. This would enable us to challenge the commercial competition of every nation, transport to foreign ports every article of our industry, manufacture and production, float to eager markets the cotton bales of the South, the cattle, horses, sheep and hogs now raised in such enormous numbers on our hills and prairies open to the bidders of the universe markets for the products of our matchless farms as they give birth to new and richer harvests, and empty into the granaries of the world our cornucopia of golden grain and garnered sheaves."

"In 1912 I was a candidate for the nomination I now seek. I received 6846 votes in that contest, my opponent, Mr. Booher, receiving 7781. For twenty years I have fought in the trenches of the democratic party, have gone forth in every campaign in that time upon the stump and pleaded for the election of every democratic ticket. Upon that record I feel that I have the reasonable right to ask of my party this nomination at this time."

"Again, rotation in office is an unalterable principle of democracy and of this government. No one person should assume the exclusive possession of any public office, for it belongs to the whole people. The present distinguished representative from this district has now held ten consecutive years."

"If entrusted with the high commission as representative in congress of the people comprising the matchless citizenship of this district, my most zealous aspiration will be to serve with abiding fidelity and loyalty the welfare of the whole people, irrespective of party affiliation."

OFFERS SEED CORN AGAIN.

But A. R. Hill Will Not Give Prizes, Because of Poor Quality.

A. R. Hill advertises through The Democrat-Forum this week that he will give away seed corn again as long as the supply lasts to any boy or girl who can make use of it. He will give four quarts to each. Last year Mr. Hill offered prizes at the corn show in the fall for the corn raised by boys and girls from the seed, but he says that the poor quality of seed obtainable this year does not justify prizes.

MAY PLAY "SHEN" SUNDAY.

Federals Will Probably Get Game April 30th Here.

It is probable that final arrangements will be made tomorrow by Cleve J. Funk, owner of the Federals, by which the Maryville team will go to Shenandoah, Ia., next Sunday for their first game. If they do so, the first home game will be played here Sunday April 30. Mr. Funk is still negotiating with Leftie Clark and Wiley but has no definite line-up or battery at this time.

N. W. MISSOURI AT MAJESTIC

New Hotel in St. Louis Will Be Headquarters for Democrats of This District at Convention.

Buchanan county and Nodaway county and others of the fourth district Democrats will have their headquarters at the Majestic hotel, Eleventh and Pine streets, in St. Louis, at the national convention in June. This was announced by Thomas J. Lysaght, chairman of the congressional committee.

The Majestic is a new hotel and moderate priced. It is within two or three blocks of the Jefferson hotel, which will be the headquarters of the national committee and Democrats of national prominence. All visitors from this district will be welcomed to the Majestic hotel quarters, Lysaght said. —St. Joseph Gazette.

Paved Roads For Iowa.

The Greater Iowa association, says the Farm and Fireside, is out for a program calling for the building of 2,000 miles of paved roads at a cost of \$10,000 a mile, or \$20,000,000 in all. Iowa is roughly 200 by 300 miles in size. Therefore the most that could be hoped for would be the equivalent of three east and west roads and five north and south. The average farm would be twenty-five miles from one of these boulevards. This seems some distance when the \$20,000,000 is considered.

Married 56 Years.

Andrews Celebrate Anniversary.
Celebrating a wedding anniversary
every year for fifty-six years is the
honor that has come to Mr. and Mrs.
Clark Andrews of South Buchanan
street, who passed the fifty-sixth mil-
lstone of married life Saturday.

Many stories are told about the war
and before the war, but few are the
couples who have had the privilege of
living so many years together.

Mr. and Mrs. Andrews were married
at Shelbrook City, Minn., April 15, 1860,
and ten years later came to Nodaway
county, where they located on a farm
two miles from Maryville. Two years
afterward they moved to Maryville,
where they have since resided. Mr.
Andrews engaged in the transfer busi-
ness, and later went into the grocery

business with his son, E. L. Andrews.
Mr. and Mrs. Andrews have four living
children. They are: E. L. Andrews,
Maryville; Ernest Andrews, Shenan-
doah, Ia.; Harley Andrews, Pasadena,
Cal.; and Arthur C. Andrews, Wichita,
Kan. Mr. Andrews is 83 years old and
Mrs. Andrews is 78 years old.

Only one of the children was able to
be with Mr. and Mrs. Andrews. How-
ever, several guests were entertained
at dinner and several visitors called
during the afternoon. They were: Mr.
and Mrs. Ed Andrews and daughter,
Mary Louise; the Rev. L. M. Hale, Mrs.
Rebecca Brink and Mr. C. A. Haw-
kins.

There were a number of telephone
calls and letters of congratulations.

Dinner Guests at Moore Home.

Mr. and Mrs. Dick Strong, Mr. and
Mrs. Guy Henry and son Leroy, Mrs.
Zetta Broyles, were the guests at din-
ner yesterday at the home of Mr. and
Mrs. P. R. Moore, 409 East Third
street.

Mrs. Collins Hostess.

The Young Ladies' Missionary so-
ciety of the First Methodist church
met Saturday afternoon at the home of
Mrs. Roy Collins. On account of the
threatening weather there was not a
large number present. A very interest-
ing program was given. Those taking
part on the program were Miss Ruth
Matter, Miss Audrey Howendobler and
Miss Kate Willis. Miss Hene Kemp
sang "I Love You Truly." Following
the study hour an elaborate luncheon
was served by the hostess, assisted by
Miss Edith Wilson and Mrs. Tom Wad-
ley.

Birthday Party.

Myrtle Frazee Entertains.

Miss Myrtle Frazee, assisted by her
sister, Miss Sylva, entertained eleven
little girls Saturday afternoon in ob-
servance of her ninth birthday anni-
versary. A dainty luncheon was
served.

Those present were: Harriett Mil-
ler, Ruth Protzman, Mabel, Laura
Margaret and Evelyn Raines, Betty
Harris, Emma May Yeo, Thelma Peni-
sten, Virginia Burris, Linda Sheridan
and Rosella Froman.

Mrs. Boatwright Dies in Kansas.

Word was received by relatives in
Pickering this morning of the death
of Mrs. Sarah Boatwright, at Bighton,
Kan. Mrs. Boatwright was a former
resident of Nodaway county and had
three sisters living near Pickering.
They are: Mrs. Charles Pistole, Mrs.
Mentoria Maxon and Mrs. James Shel-
man, all of whom were with her when
she died.

KODAK Experience

The Kodak experience I have had
has cost me time and money. I have
been all along the line. I've taken
thousands of pictures with kodaks
myself in every possible condition of
light and weather, interior and ex-

Careful St. Jo. Mothers Treat Children's Colds Externally

**They Say Internal Dosing Harms Delicate
Little Stomachs—"Outside"
Applications Better.**

Careful mothers everywhere realize
that internal medicines are injurious
to the delicate stomachs of the little
folks. Still croup and cold troubles
must have some form of treatment.
The answer to this problem is the
Southern "external" treatment Vap-O-
Rub. This was introduced in St.
Jo, Mo., for the first time last winter,
and a number of ladies were presented
with complimentary jars by their
druggists on condition that they give
Vap-O-Rub a thorough test. Here are
the reports from several of these la-
dies—

Mrs. Sam House, 1206 Prospect Ave.,
writes—"My little daughter had Dip-
theria last fall, and now every little
cold she takes settles in her throat.
We have thought twice she was going
to have Diphtheria again, but during
one of her bad spells my druggist sent
me a jar of Vap-O-Rub. I used it for
four nights on her throat with such
good results that now I don't like to
be without it. I have used it on my-
self and my husband for bad colds
and have found it just fine."

Mrs. John Paynter, 2432 S. 17th St.,
Koch Pharmacy, Oreat-Henry Drug Company.

writes: "My druggist sent me a trial
jar of Vap-O-Rub, which I soon had
occasion to try on my "croupy" baby.
Before putting her to sleep for the
night, I applied the salve over her
chest and throat with my fingers. The
results proved very satisfactory, and
now I would not be without it."

Mrs. M. A. Myers, 2943 Sylvania
Ave., says—"When our three year old
boy had a severe cold, about a month
ago, I tried a jar of Vap-O-Rub. I
rubbed it on his chest and let him
inhale it, and he was relieved almost
immediately, and got better in a few
days. I think your remedy is the best
thing for colds we have ever used."

Vick's Vap-O-Rub comes in salve
form, and when applied to the heat of
the body the ingredients are vaporized
by the body warmth. These vapors,
inhaled all night long, carry the medi-
cation with each breath, through the
air passages, to the lungs. Vick's will
be found better than internal medicine
for all forms of cold troubles—from
head colds, catarrh and asthmatic
troubles—down to deep chest colds,
bronchitis, sore throat or incipient
pneumonia. Three sizes—25c, 50c and
\$1.00.

PAID OFF \$10,000 TODAY

Maryville School Board Took Up Issues Not Due for Several Years—\$31,000 Remaining.

Ten thousand dollars of school bonds were burned this morning in front of the Nodaway Valley bank, as that amount has been paid off by the board of directors of this school district. Part of these bonds were not due until 1918, and the others until 1920, 1921, and 1922, but as the school district had enough money on hand it was thought best to take them up even if they would have to pay a premium, as they would probably save \$1,500 to \$1,600 in interest later on.

The premium was \$183.45 and it was necessary to pay the interest to date, making a total amount of \$10,292.20. The school bond issue was of the date of 1908 and was for \$75,000. With the \$10,000 paid off, the total amount left is \$31,000, which will have to be paid by 1928. Within eight years, the school board has paid off \$44,000.

LOOKS FOR AD-LESS PAPERS

Then Mail Order Houses Flood That Territory With Catalogues.

An exchange, asking for better support from the merchants of the town, has this to say: Herman Rosenfield, advertising manager for Sears, Roebuck & Co., in the course of his recent address before the American Ad club convention, said: We have a bureau whose duty it is to read each week

the country newspapers from all over the country. There is not a paper of any consequence in our trade territory we do not get. The bureau looks over these papers and when we find a town where the merchants do not advertise in the local paper we immediately flood that territory with our literature. It always brings results far in excess of the same effort put forth in territory where the local merchants use their local papers.

**A real
Guarantee**

To be more than a mere "scrap of paper," a guarantee must be absolute—and backed by a concern able and willing to make it good.

The General's guarantee is not only absolute; it is backed by a business operating the world's largest roofing mills, and making one-third of all the roll roofing made in America. That's the guarantee behind

**Certain-teed
Roofing**

The guarantee is for 5, 10 or 15 years, according to ply (1, 2 or 3). There is no evasion about it—no attempt to substitute a high-sounding something "just as good." There is no substitute for a real guarantee. You get an absolute guarantee on CERTAIN-TEED because the General knows that no better roofing can be made. Its raw materials and method of manufacture are both certified by the General's board of graduate chemists, and he knows he's taking no chance in guaranteeing them to you. That's what "CERTAIN-TEED" means—certified and guaranteed. Experience has proven that the guarantee is conservative, and that CERTAIN-TEED will outlast the period of guarantee.

The roofing felt, as it comes bone dry from the rollers, is given a thorough saturation of a special blend of soft asphalt, the formula of the General's board of expert chemists. It is then given a harder coating of another blend of asphalt. This keeps the inner saturation soft, and prevents the drying-out process so destructive to ordinary roofing. Roofing is impervious to the elements only so long as the asphalt saturation lasts. CERTAIN-TEED retains its soft saturation, and is in good condition for years after the harder, drier kinds have become useless.

CERTAIN-TEED is made in rolls; also in slate-covered shingles. There is a type of CERTAIN-TEED for every kind of building, with flat or pitched roofs, from the largest sky-scraper to the smallest residence or out-building.

CERTAIN-TEED is sold by responsible dealers all over the world, at reasonable prices. Investigate it before you decide on any type of roof.
